Super heroes of the world unite and join us in Defending Potential!

Bowl for Kids' Sake bowlers and sponsors are people just like you who want to give back to children and youth in our community. Anyone and everyone can get involved as a bowler, a team captain, a sponsor ... or all three! If you care about kids and can "spare" a little time for fun, you are the PERFECT Bowl for Kids' Sake supporter. As a bowler, you seek donations from family members, friends, colleagues and neighbors and then come have fun at our bowling event. An added benefit of being team captain is organizing your own group.

Please remember to dress in your super hero costume! You are now a **Defender of Potential!** It's going to be a lot of fun!

Don't have time to bowl?

That's okay! There are a number of ways you can still support our Bowl for Kids' Sake.

- Make a donation by going online to www.bbbswcmd.org or by sending a check to Big Brothers Big Sisters.
- Encourage your business to support our Bowl for Kids' Sake by sponsoring a team or becoming a business sponsor.

If you have questions about how you can support our Bowl for Kids' Sake, please email t.kline@bbbswcmd.org or call 301.739.4711.

You have fun, we do the work!

Bowl for Kids' Sake is an easy and fun way to make a difference. It's a party with a team of family members, friends, colleagues or neighbors. It's not your skill or your score that counts—it's your effort! For bowlers and sponsors alike, the greatest satisfaction comes from knowing you've helped children in your community.

For whom am I bowling?

You are bowling for children and youth (Littles) living in Washington County who are involved in or are waiting for a one-to-one mentoring relationship with a Big Brother/Sister. There are many children and youth in our community needing this friendship and guidance! Together, we are Defenders of Potential!

How are the proceeds used?

100% of the proceeds stay right here in our community and allow Big Brothers Big Sisters of Washington County to 1) continue supporting one-to-one mentoring relationships for Littles, 2) expand services to those children and youth waiting for a Big Brother/Sister and 3) support group activities held throughout the year.
