HOW LONG WILL MY CHILD WAIT FOR A BIG?
How long a child waits depends on the availability of a Big that has been identified as compatible. Big Brothers Big Sisters of Washington County will keep in touch with the parent/guardian while the child waits. The child will be invited to attend bimonthly group activities planned by the agency while he/she is on the waiting list. There is no guarantee that every child will be matched.

WHO ARE THE BIGS?
Bigs are volunteers from the community who are at least 18 years old. Each volunteer must complete an extensive screening process, which includes the completion of an application, an in-person interview, reference checks, criminal background and driving record checks, and participation in pre-match training. Site-Based Mentoring Program Bigs are also fingerprinted by Washington County Public Schools. A home safety assessment is completed for Community-Based Mentoring and Sports Buddies Program Bigs.
